

WORM FARE

MEET THE WORMS

Wormfare is a Global Ecosystem with its core elements aimed at achieving our company's main goals. The Ecosystem includes a free collectible card game, a quest-to-earn model, and an eco-foundation.

OUR GOALS ARE:

- 01 Bring together the Web2 and Web3 audience
- 02 Offer them to take part in simple and exciting eco-activities with a global impact
- 03 Provide monetary rewards to motivate individuals to join our Ecosystem and contribute to making the World a better place.

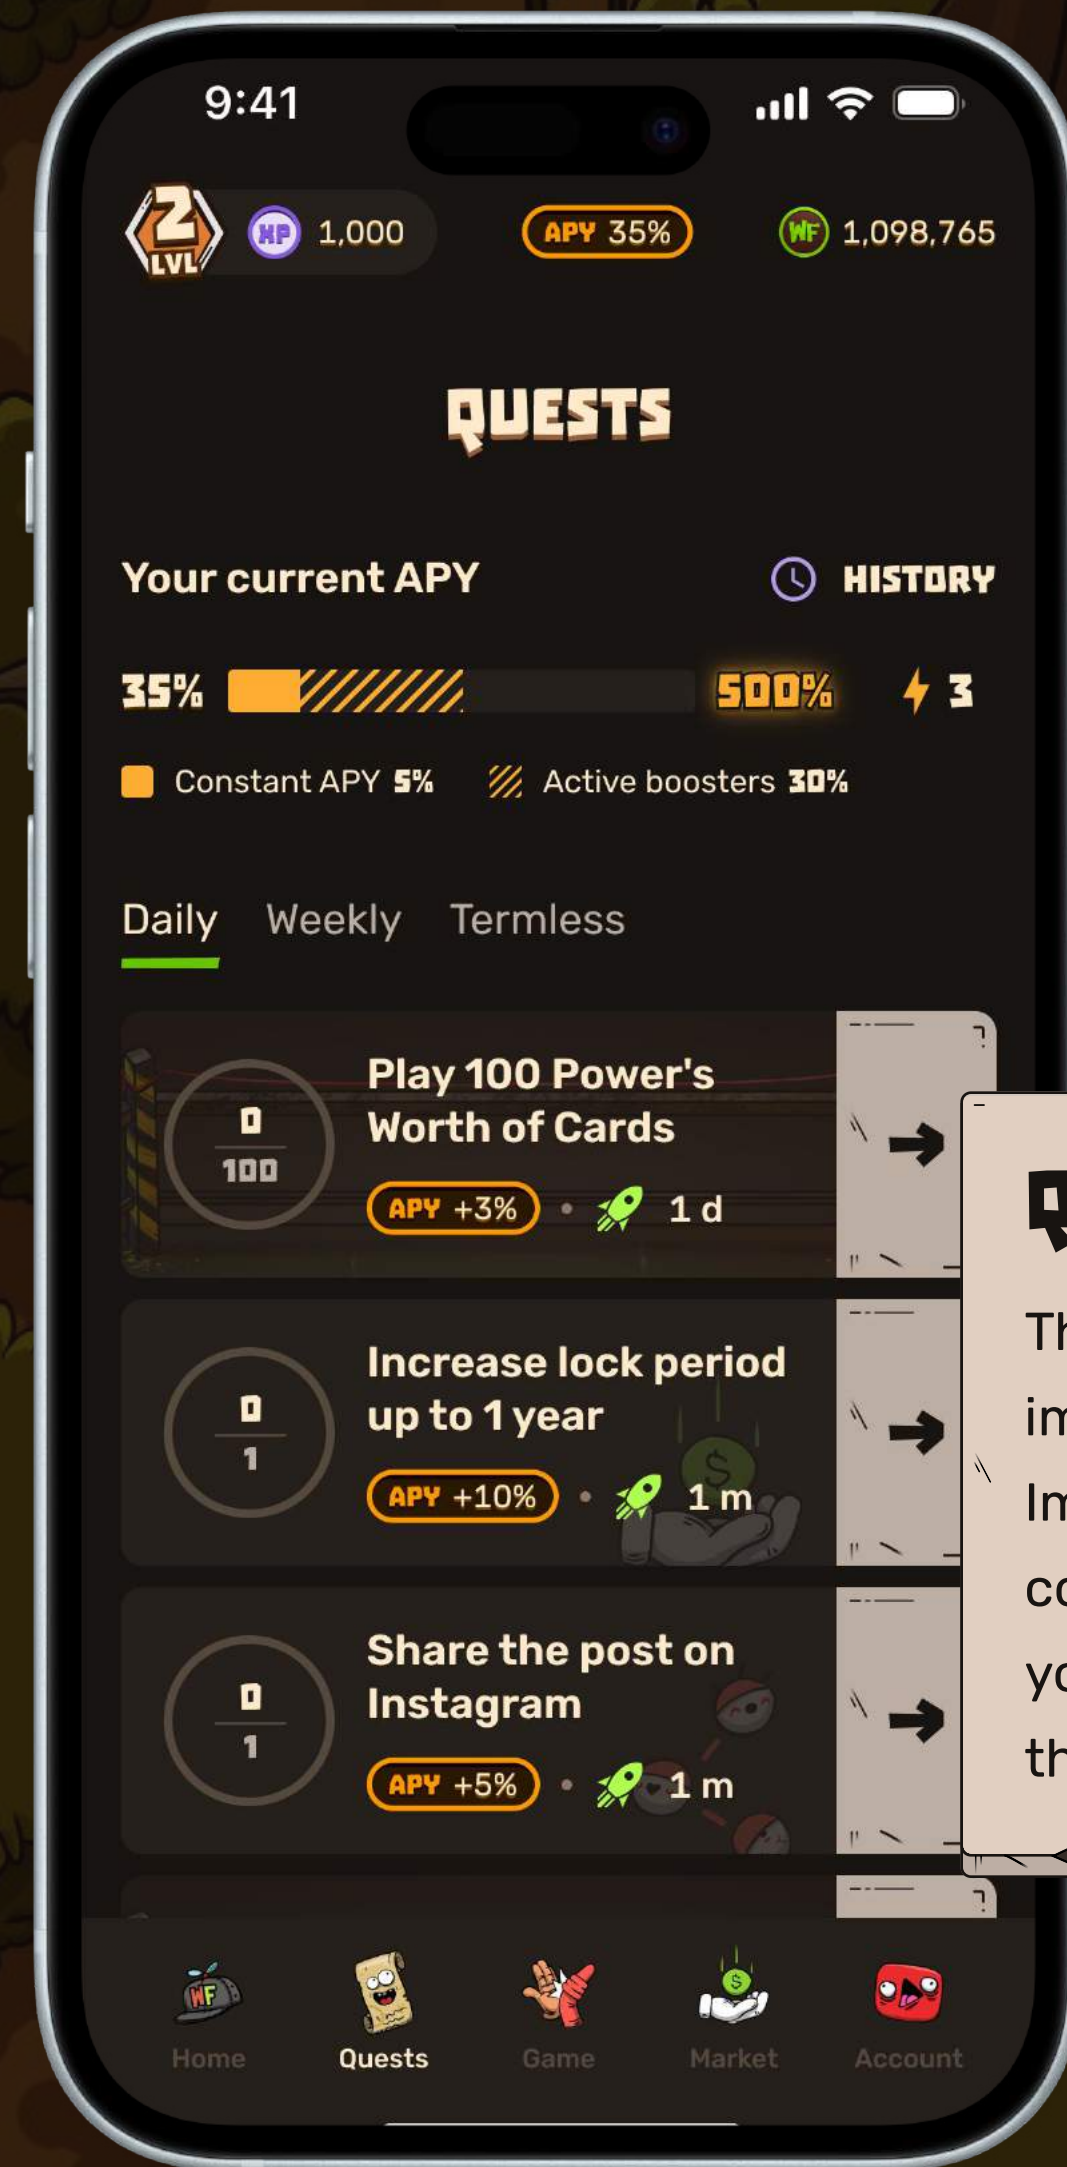

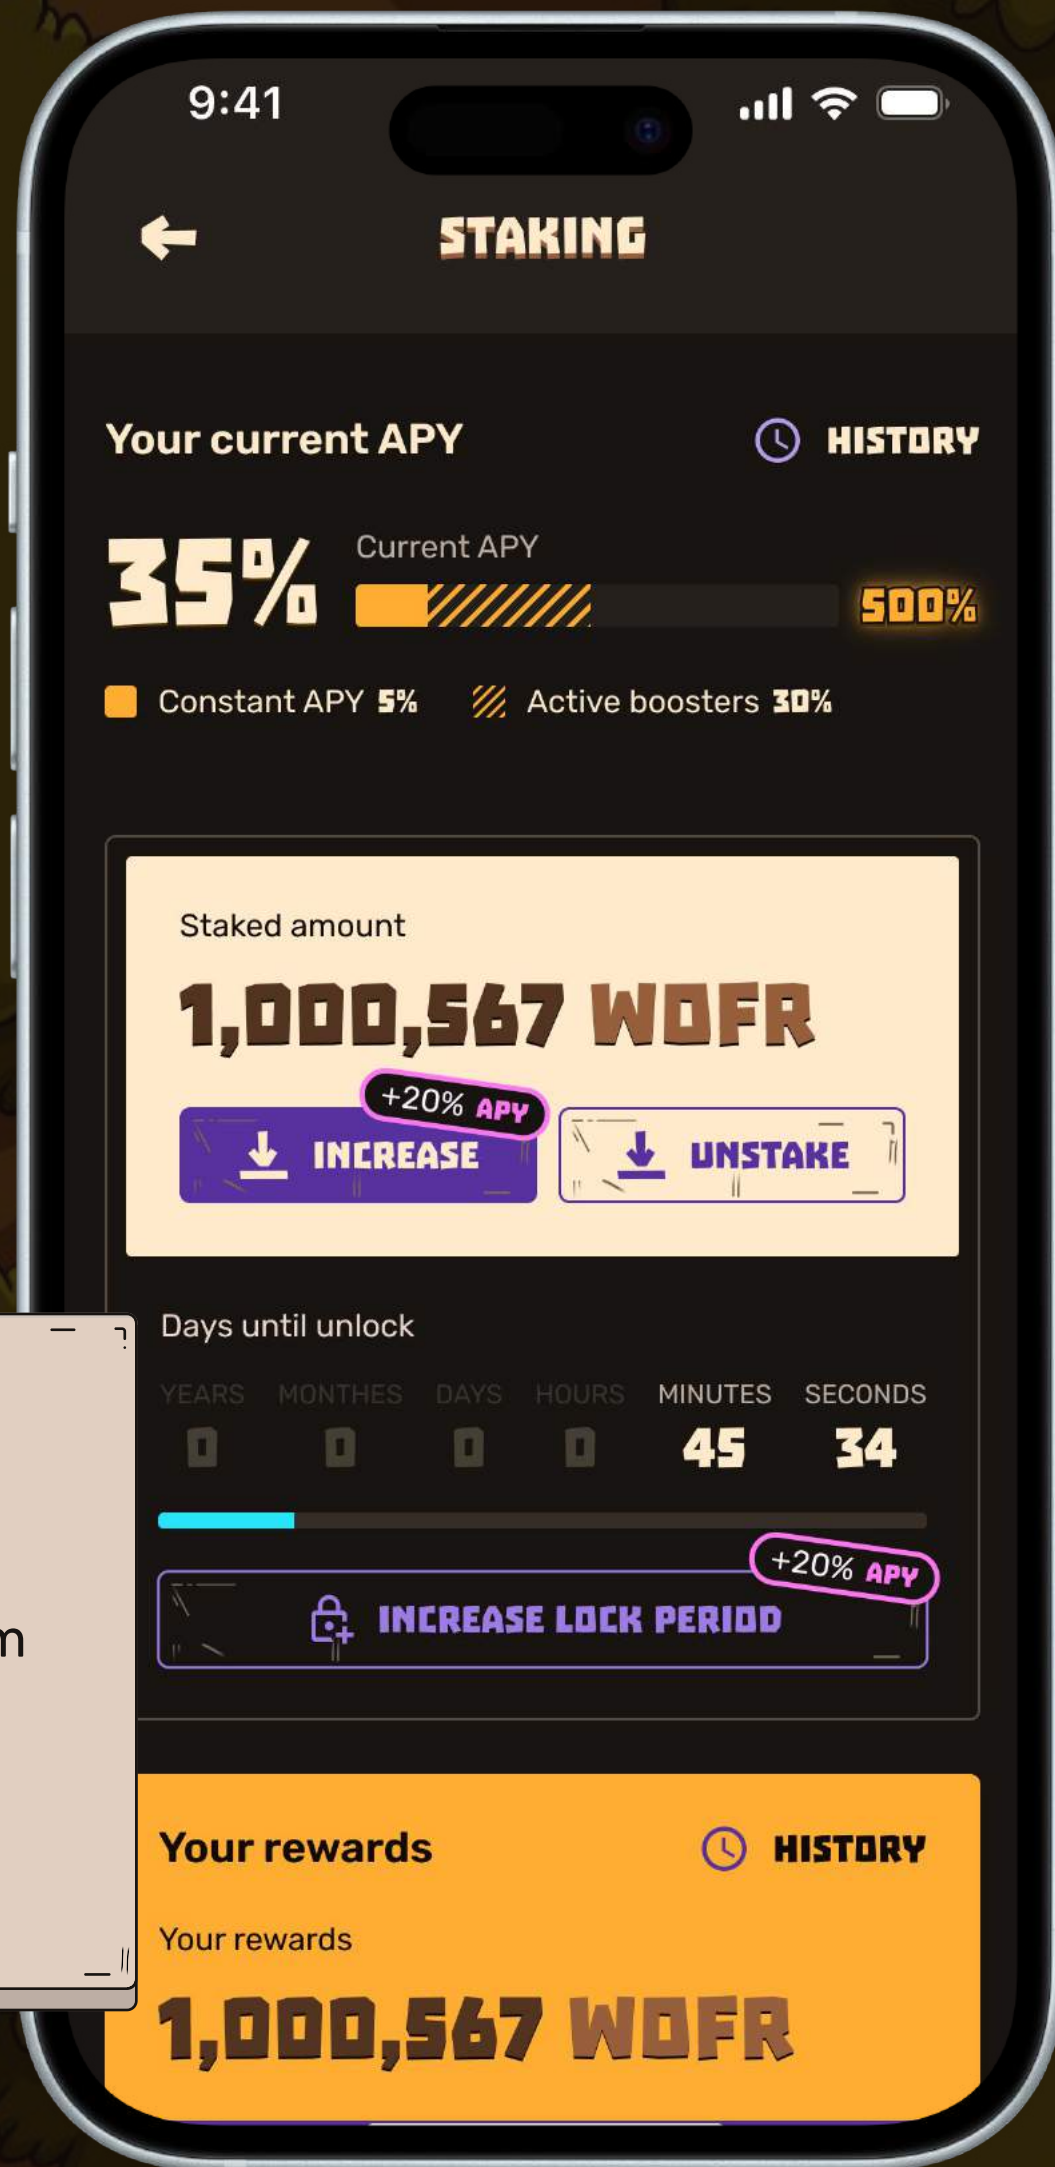

INTRODUCING WORMFARE ECOSYSTEM

STAKING PROTOCOL

Receive up to 500% APY with Wormfare motivated staking system aimed at receiving rewards while contributing to our planet's sustainability.

QUEST-TO-EARN

The core feature of Wormfare's immersive gameplay is "Quest for Impact" which means that every completed quest not only earns you rewards but also impacts the real World.

CHARITY DONATION

We pledge to donate from 1% up to 100% of our profits to eco-organizations dedicated to environmental conservation and sustainability.
